OPENING LEAD: TEN OF SPADES

WHAT IS YOUR DEFENSE AGAINST A WEAK TWO B BID?

This hand was board 28 played the Saturday evening session of the Open Pairs during the Silver Dollar Sectional. Not all top boards are won by bidding a slam or making a difficult game hand. After west passed in opening seat, and north passed, East decided to open two spades. So when South simply bid three clubs, north decided to pass. Declarer only made five clubs on the hand for a score of 150, but this result gave East-West all the matchpoints. There are a variety of conventions to use, but my partner and me are playing a specialized Weiss bid. A double is for penalty, a 2 no trump bid says nothing about the spade suit, it just simply is a takeout double. A three club bid is also a takeout bid, but showing a big hand. (according to the analysis by deep finesse, it makes 6C, 6NT, 6H, 5D, and 5 D by North-South)
