

The Regina Red Coat Regional 2011

Daily Bulletin

Monday Sept. 26, 2011

Welcome and have a great week!

Our regional committee encourages you to visit our hospitality desk right near the playing site for a gift bag, information on meal discounts, and sites to visit. Don't forget to enter for the draws.

What are your plans for lunch between sessions on Sunday? The Hospitality Committee is subsidizing a pizza buffet to be served between the Sunday sessions. Your cost is \$8.00 and the tickets must be purchased in advance at the hospitality desk. The number is limited, so get your ticket early. If you are reading this online and won't be arriving till later in the week, email at Pogginca@yahoo.com and ask me to put 1 or more aside for you.

Today's Schedule

7:30 – First session of KO#1
Charity Pairs one session
299ers one session

The bridge should be first rate with some of the countries finest players and a first rate directors' crew headed by Steve Bates. There are lots of opportunities to play at the level you find most appropriate. The playing site is very good with most of the play occurring in the main ball room and the side rooms are just across the hall. Bathrooms are just down the hall. Starbucks is just outside the playing area. It is possible to enjoy your stay without ever leaving the hotel, but we encourage you to get out and experience more.

We hope you'll be able to do more than just experience some shopping, fine dining and nightlife. You might enjoy seeing our parks and museums. Visit our hospitality desk for information on museums and parks.

Good luck in the first KO or Pairs games.
