

The Regina Red Coat Regional 2011

Daily Bulletin
Friday Sept. 30, 2011

Welcome to the New Arrivals

On Friday and Saturday, we have an influx of new players. The North American Pairs on Saturday attracts many. If you have qualified for this event, you may want to play as finishing in the top 3 makes you eligible to compete at the spring nationals in that event. The top 2 places receive some reimbursement if you complete the event. I believe it is \$700 and \$300 American dollars respectively. There is 3 levels of play A (2000+), B(300 to 2000-) and C (0 to 300-).

Congratulations to Regina's Newest
Life Master

Have a question for Canadian Champion and Bridge Base Online founder Fred Gitelman? He is currently in “the well” on Bridge Winners (www.bridgewinners.com). This feature provides an opportunity to ask Fred anything you ever wanted to know about bridge or life.

Bridge Winners is an online community for bridge players with articles, videos, a convention card editor, and live tournament results from the NABCs. Identifying a void in the online bridge community and the need for an information and social networking site for bridge players, Gavin Wolpert and Jason Feldman launched Bridge Winners in June of 2010. Their first product was a web-based ACBL Convention Card Editor that allows users to create, store, share, and print convention cards in their profiles. Steve Weinstein, Eugene Hung, and Ari Greenberg joined the team in the fall of 2010 to complete their innovative team of expert bridge players. Each member of the team brings a unique and dynamic skill set.

Bridge Winners provides daily articles from many different authors including the popular series *Under Further Review* by Steve Weinstein and Kevin Fay, *Gargoyle Chronicles* by Philip Martin, and *Breakin’ the Rules* by Josh Donn . Gavin Wolpert is in the middle of his 26-part series *Road to Victory*, which features an over-the-shoulder video of hands from his recent Louisville NABC Open Pairs victory. Additionally they feature articles from other famous writers and players such as Kit Woolsey, Michael Kamil, Larry Cohen, and Peg Kaplan.

Besides the consistent high quality of content, what sets Bridge Winners apart is the active participation of the expert community. Many articles have seen feedback from players considered to be among the best in the world, offering members an unparalleled level of insight. Bridge Winners members can also post blogs or problems in their poll forum and comment on the content of other users.

All of this free to anyone who signs up. If you haven’t used these services yet, come see what you’ve been missing at www.bridgewinners.com.
