*I would like to welcome all of you to the 2012 Boise Regional. The new Playing Venue is excellent. Judy has done a great job as Committee Chair She has had a lot of help because no one person could do it all. All the out of town players especially all those from Idaho Falls and Salt Lake City are particularly welcome due to the distance traveled. This will be the last Regional in Boise sponsored by Dist 18. Boise Nampa/Caldwell transferred to Dist 20 on their request. I will be trying to put together a Regional in the Southern Idaho area for 2015. I hope all will attend. I do not know when Dist 20 will invite Boise to schedule a Regional in this area. At the District meeting in Lethbridge we decided to handicap all Bracketed KOs, starting with this Regional. This is intended to help the lower averaged teams in all brackets. Please let us know after the KOs are completed if this method is a good thing or not.*
