

Andy Anderson
Saskatchewan District Rep

Andy is a resident of Saskatoon, often traveling to various North American tournaments with Curley, his wife and favorite bridge partner. Besides serving as your District Representative, Andy also has served on the North Saskatchewan Unit as treasurer for a number of years. A qualified teacher, director, and a Gold Life Master, Andy has had his hands in bridge in excess of 35 years. His career began as an electronic specialist for the Canadian Air Force, later working for the Canadian Federal Government as a trouble-shooter for interference problems and a broadcast engineer/consultant. Andy also spent many years as a car wash/detailing businessman, eventually retiring and spending the last 8 years as an internet bridge teacher.
