It's been a continuous whirl wind since the October election. Attending the meeting in San Diego was an eye opening experience. I now have new admiration for Dick Anderson and the 18 years he served our District.

As your representative I hope to serve the needs of all our bridge players. I know I won't be able to please everyone all the time but my door will always be open and I promise to give you a thoughtful ear and my best efforts. My best wishes to everyone for all the best in the New Year and may all your finesses be successful.

Sincerely,
Claire Jones
