**Conditions of Contest**

The 2012-2013 Grand National Teams (GNT) Conditions of Contest, as published by the ACBL ([http://www.acbl.org/assets/documents/play/Conditions-of-Contest/Other-GNT\\_CoC.pdf](http://www.acbl.org/assets/documents/play/Conditions-of-Contest/Other-GNT_CoC.pdf)) govern and are incorporated into these conditions. These ACBL District 18 (D18) Conditions of Contest cover circumstances that are unique to D18 and clarify options available under the National Conditions of Contest.

2. Participation:

Anyone from anywhere is permitted to play at the club level (non-members are allowed to play at the club level)

To advance beyond the club level to the D18 Finals, a player must be a dues paying or service fee paid up ACBL member and a member of District 18 (see Appendix I of the National Conditions of Contest for clarification of District membership)

3. District Coordinator:

D18's coordinator for the GNT is:

Marilyn Swadron

4. Flight Eligibility:

Championship Flight is open to all players (unlimited masterpoints)

Flight A is open to players with less than 5000 masterpoints

Flight B is open to players with less than 2000 masterpoints

Flight C is open to players with less than 500 masterpoints who are non Life Masters

Masterpoint totals for flight eligibility are determined by the ACBL's September masterpoint cycle (run on August 6, 2012). Masterpoints won after this cycle will not impact Flight eligibility for these events.

## **B. Club Level**

### 1. Qualifying Period:

Club level events will be held between September 1, 2012 and March 31, 2013

### 2. Qualification Format:

Clubs may either run separate games for one or more flights, or a combined stratified team event. Clubs may choose their own format.

### 3. Sanction Fees:

ACBL sanction fees are \$1.25 (US) per table per session for each event. In addition a sanction fee of \$7.00 (local currency) per table is due District 18. Please make cheques payable to **ACBL District 18** and send to the District Coordinator at the address indicated above. A copy of the report /results form should accompany the payment.

### 4. Reporting:

In addition to the report accompanying the fee, clubs must send the game file created by ACBLScore to the District Coordinator via e-mail.

## **C. Unit Level**

There is no requirement for a unit level competition in District 18.

## **D. District Finals**

### 1. Tournament Eligibility:

All players who have qualified at a club level game are eligible to compete in the district final providing that they meet the requirements listed under A.2 Participation (see above).

In addition, all flight C players who participate in a club level event will automatically qualify for the District final.

Any player who was unable to qualify at a game within the District, for whatever reason, can buy an entry into the District final for a fee of \$40 (local currency).

### 2. Event Date and Location:

The District 18 GNT final will be on May 10-11, 2013. The final will be held **ONLINE** at multiple sites across the District.

3. Starting Times (Mountain time zone):

Session #1 May 10 at approximately 19:30

Session #2 May 11 at approximately 09:00

Session #3 May 11 at approximately 13:30

Session #4 May 11 at approximately 19:30

Starting times may be staggered depending on the number of teams in each flight. All contestants will be notified of exact starting times prior to the start of the event.

4. Advance Entries:

Teams wishing to participate in the District final must pre-register for the event before April 15, 2013. Please complete the attached entry form and send it to the District Coordinator or e-mail the District Coordinator and an entry form will be sent to you. There is an entry fee of \$100 (local currency) per team. There is an additional charge of \$50 (local currency) to advance to the 3<sup>rd</sup> and an additional \$50 to the 4<sup>th</sup> round of the District Final.

5. Bridge Conventions:

ACBL Mid-Chart conventions will be allowed in the Championship Flight and in Flight A of the D18 finals.

6. Event Format:

If there is only one team entered in a flight, then that team will be declared the district representative to the National finals in that flight.

If there are only two teams entered in a flight, they will play a double session knockout to determine the winner of that flight.

Flights of 3 or 4 teams will play a two session round robin or swiss with 2 teams qualifying to a third session 24 board match to determine a winner.

Flights with 5 or more teams will play a two session round robin or swiss. 4 teams in each flight advance to a 3<sup>rd</sup> session of play. The 2 top teams advance to a 4<sup>th</sup> session of play.

Scoring for round robin or swiss team games will be by victory point (20 point scale) scoring.

There will be no carryover to the 3<sup>rd</sup> session of play and no seeding throughout the event. Where 4 teams advance to the 3<sup>rd</sup> session of play, the team finishing first may select their opponent from the 3<sup>rd</sup> and 4<sup>th</sup> place finishers.

In all cases, the Director in Charge may modify the number of boards and sessions to be played to accommodate unanticipated circumstances.

7. Substitution:

If a player on a registered team becomes unavailable prior to the district final, the team captain must contact the District Coordinator and make arrangements for a substitute subject to the same conditions as described in D.1 above.

8. Online Competition:

The Conditions of Contest for District GNT finals hosted online as specified in Appendix II of the ACBL Grand National Teams 2012-2013 Conditions of Contest apply to the District 18 final.

**E. District Winners:**

The winning team in each flight of the district finals is eligible to compete in the National finals and will be granted a subsidy by District 18. The following conditions apply:

- at least 2 of the original team members must compete in the National finals
- any substitute player must have qualified in the applicable flight at a club level GNT qualifier or must have played in the District final
- the District Coordinator must approve any substitutions

If a winning team declines the opportunity to go to the National finals, the second place team will then be offered the opportunity (and offered the subsidy) to represent District 18 at the National finals. Substitution guidelines are the same as above.

**F. Subsidies:**

D18 will provide a subsidy of \$1000 to \$1500 (local currency) to each team representing District 18 at the National final subject to the conditions outlined in Section E (above). The subsidy amount for each team will be based on the revenues generated by club level qualifiers and the District final. The subsidy amount will be set and communicated before winning teams need to make a decision about going to the National finals. The subsidy amount will not be adjusted if one or more flights are not represented at the National finals. The subsidy monies will be paid out to the captain of each team upon return from the National finals.

**G. Contingencies**

The Director in Charge (DIC) will resolve all contingencies or ambiguities relating to the format or playing conditions of the D18 finals that are not specifically addressed by these conditions.
