

Please join us as an online kibitzer for the District 18 GNT finals being held on Friday evening (May 10) and Saturday (May 11).

The finals are being run by Bridge Base Online (BBO) with the first round starting at approximately 7:15 PM Friday evening and the following 3 sets scheduled to start at approximately 9:00 AM Saturday morning.

To kibitz, simply use your internet browser to log into Bridge Base Online ([www.bridgebase.com](http://www.bridgebase.com) or [www.bridgebaseonline.com](http://www.bridgebaseonline.com)) and choose "Play Bridge Now" from the menu presented. Enter your USERID and password and click on "Log in" (If you do not have a BBO USERID/password, you can click on the "Look around our site" option or you can create an ID for yourself - it is absolutely free and very easy to create one – just click on "Become a member (free!)").

To kibitz one of the District 18 GNT games, enter the USERID of one of the team captains beside the "find member" choice shown at the bottom right of the BBO screen and hit "enter".

You will then see a screen similar to the following (if the game is not in progress, the "Join table" option will be greyed out):

To kibitz this game simply click on "Join table".

The team captains USERID's are:

Open Flight:            d18ot1p1      d18ot2p1      d18ot3p1

Flight A:                d18at1p1      d18at2p1      d18at3p1  
                              d18at4p1      d18at5p1      d18at6p1

Flight B:                d18bt1p1      d18bt2p1      d18bt3p1      d18ct1p1

Not all teams will necessarily play in each round, and starting with the second round on Saturday some teams will have been "knocked out". If you can't find one team try another.

Happy Kibitzing!
