

**New ACBL Club Master
Bill Peifer**

What stands out the most for Bill is the amazing welcome he received from the members of the Lethbridge Bridge Club. To a person they were so warm and welcoming and this has made it a joy to come and socialize as well as play. Another outstanding feature of this club is the dedication of the organizing group who administer day to day and special activities: Myrna, Chris, Wendy, Marilyn, Betty, Maureen and others who truly make this club work so well and run smoothly.

The club provides a Tuesday afternoon group for 199ers and under who are wanting to learn. Thru most of the year lessons are provided and then play.

The experienced players make it easy for the newcomers to blend in smoothly.

Lastly, Bill's 2 main partners, Wendell Opheim and David Pounder, have taught him so much and have been patient with him throughout as he has at times blundered along.
