

Carol MacMillan New ACBL Club Master

Carol's bridge began 10+ years ago when she had little time to spend playing or learning about this marvellous game. It was not the right time in her life. However about 2 yrs ago she got "bitten" by the bridge bug. Carol began by reviewing the Audrey Grant lesson books—Spade book, More Commonly Used Conventions. Also, Barbara Seagram books, 25 Bridge Conventions You Should Know, 25 More Bridge Conventions You Should Know. Audrey Grant 2/1 is also basic information. Last winter the Edmonton Bridge Centre offered an excellent 9 week course on Slam Bidding. Also, they had a free 1 hour lesson offered each Fri AM where topics may be requested for discussion and play.

Carol tries to play at least 4x weekly and on 1 of those days her friend, an "Open" player, helps her with her mistakes and constantly provides encouragement. She is so grateful for her help.

Bridge is a lifetime project requiring self-motivation to improve. One has to identify weakness and keep challenging your abilities. Learn, practice, play often, and good things happen. Best of all, it's great fun.
