

## Douglas Rosenberg

### New ACBL Life Master

Doug started playing bridge as my night out away from the kids. For over 22 years, every [Wednesday](#) night my regular partner Bill Miller and Doug would play bridge and afterwards they would go to Earls Tin Palace for wings and dry ribs. Last June Trevor Haight, Bill Miller, Don Greenwood and Doug played in the Penticton Regional as a team. They were able to win enough points to complete Doug's requirements for gold. In April his best friend Trevor Haight and Doug flew to Vegas to play in the sectional. Once again they did extremely well and were able to win over 16 silver points, more than what Doug needed to finally reach "Life Master" and cross off another item on my bucket list.
